

Inflammatory Bowel Disease Standardized Care Protocols

5. IBD PATIENTS NON-BIOLOGIC, NON-IMMUNSUPPRESSIVE– MAINTENANCE AND ADHERENCE

Nurse/Physician:

1. Following each appointment send a message to support staff to ensure patient is booked for follow-up and has necessary forms to complete.

Support Staff:

1. Arrange follow-up appointments for every 8 months.
2. Send an email to the patient with HBI (#1) or Partial Mayo (#2) and IBD Follow-up lab (#3) attached, to be completed before each 8 month follow-up. The patient should bring the completed HBI or Partial Mayo to their follow-up appointment.
